U. N. COUNCIL **AWAITS CONGO** CRISIS TALKS

By MILTON BESSER

UNITED NATIONS, N.Y. (AP) -The U.N. Security Council today awaited arrival of a Congolese delegation for another emergency session as concern mounted over worsening relations in the explosive Congo.

A clash between Congolese soldiers and U.N. Canadian troops at Leopoldville Thursday brought warnings from U.N. officials that their forces may resort to shooting if necessary.

There were also reports Secretary General Dag Hammarskjold had warned Africa's U.N. representatives that if disagreement persists with Congo Premier Patrice Lumumba's government, the U.N. might be forced to pull out the more than 11,000 troops it now has in the Congo.

Tension Building

Meanwhile, tension was building in the Olympic Village, swelled by more arrivals for the start of the games next Thursday. More than 500 athletes and officials from a dozen countries, including 146 from the Soviet Union and 120 from Australia, were due during the day.

The question of whether Brundage, a diehard advocate of strict amateurism, should be named to a third four-year presidential term could stir up lively debate.

The TREMENDOUS Teens

THE CHURCH FOR ALL . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

	Day	Book	Chapter	Verses
	Sunday	Ezekiel	46	2-3
	Monday	Romans	14	22-23
	Tuesday	Psalms	102	25-28
	Wednesday	John	1	17

Hardest fact for the adult mind to comprehend is that a teen-ager stands at the threshold of life.

When you enter a strange door you are uncertain. You don't know what's in store for you. You aren't sure which way to turn.

There may be familiar, welcoming voices - but even these now have the

ring of uncertainty. For when your whole world is changing, can you be sure that the people around you are not changing also? For boys and girls in this time of uncertainty the Church is the fulcrum

of strength. Its truth is unchanging. Its teaching is clear. Its promises are worthy of hope, trust, endeavor, sacrifice.

The problems of the teen-ager are tremendous . . . but so is the might of his God. The character, the certainty, the charity of the Church inspires his ideals challenges his courage.
